

# Wine List

Our wine list has been carefully assembled for our guests, with an assortment focused on European wines, complemented by distinctive bottles from the New World

At Brasa, where open fire and dry ageing define our kitchen, our wines are chosen to enhance and underline those deep, smoky, and savory flavors

Toasted oak barrels or bottle ageing can express this in a classic way — but exploring new ideas from modern winemakers with terroir driven wines, is also a part of our mission to share with you

Pairing is always most exciting when tradition meets creativity. Please don't hesitate to ask us — we're always delighted to talk about wine
